All Pocket homes at West Green Place N17 are sold with a 125 year lease with an initial ground rent of £350.

West Green Place N17 is a Car-Free Development (apart from the designated parking spaces provided and in respect of Blue Badge holders) and homeowners cannot apply for a residents' parking permit. A two year Zipcar membership and driving credit of £50 for each of the two years will be provided from completion of the development (expected to be Summer 2020).

Six months' service charge payment will be required upon completion.

Opal House is expected to be ready for occupation in Autumn 2017, but the roof terraces on Arianne House and Kernal House are not expected to be accessible until Spring 2020. The development as a whole and all landscaping is expected to be finished in Summer 2020.

The Show Home is not currently available for sale and will be released at a later date.
