Flourish

City makers: You give a lot to London... get something back. 100% ownership of a cleverly-designed home with a 20% discount.

A home of your own, that is all yours.
You only get one chance to be a first
time buyer, so get it right.

At Pocket Living we build homes for people we call city makers. These are the Londoners who contribute economically, socially and culturally to the day-to-day life of the capital. We help local first time buyers get onto the property ladder.

If you live or work in Haringey and are hoping to buy your first home, a one or two bedroom Pocket apartment at West Green Place N17 could be exactly what you need.

These homes are private, 100% ownership homes, available to people like you for at least 20% less than the market value.

Built to our award-winning design specification, each contemporary apartment makes the best use of every square foot. Each one is cleverly designed to maximise the feeling of space and create a homely environment. Outside, there is a communal orchard that backs onto Downhills Park.

In our experience, Pocket homes foster a welcoming sense of community, brought on by their shared spaces and the matching lifestyles and ambitions of residents. But that's up to you and your new neighbours of course...
