**City makers:
You deserve a break.**

You're a nurse, teacher or junior doctor. A graphic designer, web developer or journalist. A chef, electrician or civil servant... you're one of the many, many people who make London tick.

Day by day, week by week, you contribute to our city in so many ways. Not just through your regular work, but also by supporting local shops, bars, venues and restaurants. You energise the local economy and enliven your local neighbourhood.

Quite possibly, you'd like to put down roots, to own a stake in your community. Your own home.

You give a lot to this city and it's time you got something back. Which is where we come in...

"The distinctive façade arrangement of angled piers clad with glazed tiles, bands of light concrete and bronze-coloured metal entrance will create a characterful addition to Croydon's skyline."

**More than a roof over your head
— a lifestyle on your doorstep**

Just over 9 miles south of Charing Cross, Croydon has a well-deserved reputation as a great place to live, work and have fun. As somewhere to set up home, particularly your first home, the town ticks many boxes, including connectivity to central London, access to clubs, pubs, cinemas and galleries and, of course, affordability.

Talking of boxes, Boxpark, a collection of 80 refashioned shipping containers housing cafés, restaurants, bars and music venues, has energised the town's nightlife — as well as the ever-changing display of dynamic street art has enlivened Croydon's creative edge.

Keep exploring.
Crystal Palace is just a short train ride away.

Described as 'south London's hidden gem', the hilltop community of Crystal Palace has quirky independent shops, eclectic eateries and 360-degree views over central London and the Surrey countryside. Crystal Palace Park, one of London's major public parks, is home to The National Sports Centre.

The Crystal Palace Triangle, bordered by Westow Street, Westow Hill and Church Road, attracts locals and visitors to its restaurant scene, galleries, farmers' market, bars, and shops crammed with books, period furniture and vintage clothing. Haynes Lane Market, within the triangle, is the place for vinyl, toys and tarot card readings.

Each year, the community-run Crystal Palace Overground Festival features inspirational art, music, film, comedy, storytelling, quizzes and other cultural happenings. Expect anything from a 'secret date club' to a 'silent disco walking tour', all accompanied by fabulous food.

Head for Crystal Palace to find furniture, lighting and objects from Art Deco, Mid-Century Modern and Danish, through to vintage and industrial design.

Boxpark, refitted shipping containers just a 2-minute stroll from Addiscombe Grove, is your destination for drinks, dining and special events.

A Croydon institution, Surrey Street Market provides goodies ranging from German turnips and Thai orchids to Indian mangoes and Romanian cake.

Settle into your sofa at the Everyman cinema and your beer with chorizo, guacamole or avocado sharing plates will be brought to your seat.

The London Borough of Croydon has over 120 parks and open spaces. The 130-year-old Park Hill Park is just round the corner, while the popular, multi-amenity Lloyd Park is a gentle 15-minute walk away.

How to book a viewing

Set up a My Pocket account
Visit pocketliving.com and click Register to create your My Pocket account.

Activate
Activate your account via the link in the email we'll send you. If it doesn't arrive, check your junk folder.

Eligibility check
To apply for a Pocket home at Addiscombe Grove CRO, you must be a first time buyer living or working in any London Borough. Your household income must be less than £90,000 a year.

Affordability check
Complete an online affordability assessment with Censeo Financial, our preferred mortgage adviser, to check you can afford a home at Addiscombe Grove CRO.

Once you've passed your affordability assessment, you'll be able to book a viewing at our show home via My Pocket. During the viewing, a member of the Pocket team will be on hand to answer your questions.

How to buy

If you like what you see at your viewing, visit our website, go to My Pocket and submit an Expression of Interest. You can select up to ten homes.

If we're able to offer you a Pocket home, we'll upload an offer letter into your My Pocket account. This will set out the buying process and ask you to upload various documents into your My Pocket account, pay a reservation fee, meet a mortgage adviser such as Censeo Financial and choose a solicitor. Don't worry, we recommend reliable people.

Once we've checked your documents, we'll put a reservation form into your My Pocket account. Sign this form and upload it into your account.

You'll now need to instruct your solicitor and we'll brief Pocket Living's solicitor to start work on your purchase.

With the help of your mortgage adviser, submit your full mortgage application.

Once the conveyancing process has been finalised, you will exchange contracts with a set completion date. You're now legally bound to purchase the apartment and we're legally bound to sell it to you.

On the day of expected completion, your solicitor will confirm that your completion has gone through. You're then free to pick up your keys, move in and celebrate being a homeowner in the city you love.

Resales

What happens when the time comes to move on from your Pocket home:

- You can sell your Pocket home at any stage 12 months after completion.
- You will need to arrange a RICS valuation, which will set the maximum price at which you can re-sell. This will be a market valuation which takes into consideration the resale restrictions. Pocket will need to approve the RICS valuation prior to marketing.
- For the first three months of marketing your home, you'll need to try and sell to someone who: lives or works in in the Borough of Croydon (and has done for at least three months), is not currently a homeowner and whose household income is below the Mayor's salary cap for affordable housing (currently £90k). If you haven't found someone after three months, then location criteria widens to include people who live or work in any London borough. If after six months of marketing you haven't found an eligible buyer, you can sell to anyone, regardless of eligibility.
- Pocket will need to approve your buyer and certify that the criteria have been adhered to before exchange of contracts.

Subletting and Annual Verification Process

What happens if you can't live in your Pocket home for a while:

- Pocket homes are designed to be lived in by the eligible people who purchase them, but we understand that occasionally – for reasons outside of your control – a Pocket homeowner might need to sub-let their home.
- You can seek permission to sublet your home once you have owned it for a year and in extenuating circumstances. You'll need to have a RICS valuation and then sublet your Pocket home for 80% of the local market rent.
- You'll need to rent to someone who: is not currently a homeowner and whose income is below the Mayor's salary cap for affordable housing (currently £90k).
- Pocket will check and certify your subletting every 12 months.
- Once a year, we'll ask you to complete an Annual Verification Process to show that you are still living in your Pocket home we'll just ask you to upload proof of residency online.
